Performance at low cost

Taeron EconoMax Cargo Nets are made with durable, low-cost nylon knotted pre-mesh netting. These nets provide operators with a reliable, general-use net for situations where high wear is expected, but low weight is still a priority.

Our EconoMax nets are an excellent choice for cost-sensitive operations, providing a balance of durability and affordability. Contact us today to learn more about how our EconoMax Cargo Nets can meet your needs.

Common Sizes (8-Sided Net)			
WLL (lbs)	Net Size	Approx. Weight	P/N
3,000	16' (4.8m)	32 lbs (14.5 kg)	NCN-168-3K
3,000	18' (5.5m)	39 lbs (17.7 kg)	NCN-188-3K
5,000	16' (4.8m)	40 lbs (18.1 kg)	NCN-168-5K
5,000	18' (5.5m)	46 lbs (20.9 kg)	NCN-208-5K
